SANKALP ELECTRICALS

Tel. : 022 - 25324944
Mob.: +91 9820316440
+91 9769144418

We are one of the leading suppliers of Electricals / Electronics Measuring Instruments.
We introduce ourselves as a professional organisation dealing in Electrical & Electronic Measuring Meters & Temperature Controller, which is required to the industrial use.
We are able to comprehend the exact demand of our client and come up with a range that is in compliance with the market requirement.
To meet the discerning demand our client

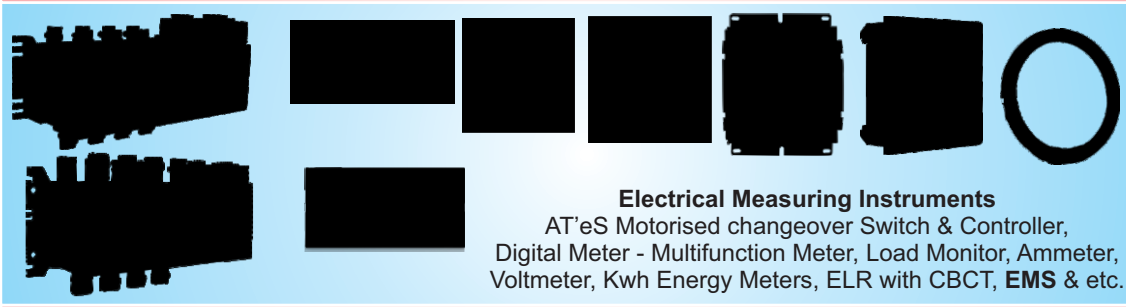

We now introduce ourselves as Dealer & Distributor of following Brands

AE Automatic Electric Ltd.

Electrical Measuring Instruments
Analog Meter / Digital Meters / Current Transformer
Transducer / Shunt / Dimmer / Stabilizer / Potential Transformer

ELMEASURE® Possibilities...Infinite

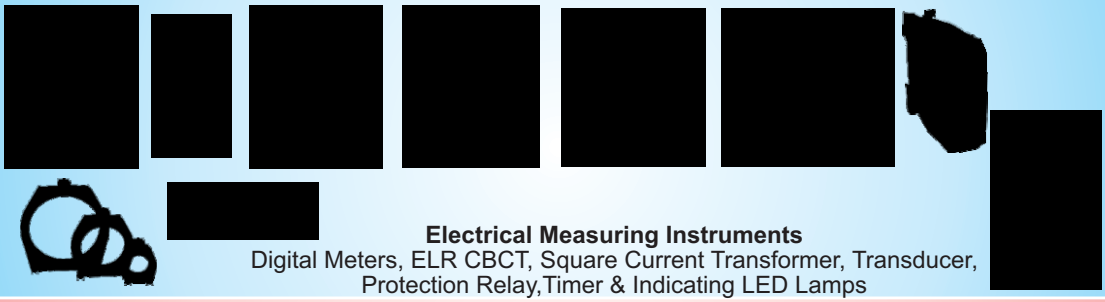

Electrical Measuring Instruments
AT'eS Motorised changeover Switch & Controller,
Digital Meter - Multifunction Meter, Load Monitor, Ammeter, Voltmeter, Kwh Energy Meters, ELR with CBCT, **EMS** & etc.

Kaycee Industries Limited

Electro Mechanical & Low Voltage Switches
Rotary Switches, Rotary Cam Switches, Micro & Toggle, Limit Switches,
Breaker Controller Switch, Time Totalizer, Water Meter, Counter, Cable Lugs, Din Rail Chanel

VERITEK

Electrical Measuring Instruments
Digital Meters, ELR CBCT, Square Current Transformer, Transducer,
Protection Relay,Timer & Indicating LED Lamps

TEKNIC

Control & Signaling Devices
Indicating Lamp, Push Button, etc., MCB, Load Break Switch, Distribution Assemblies
Plug & Socket, Limit Switch, Proximity Switch, Photo Sensors, Foot Switches

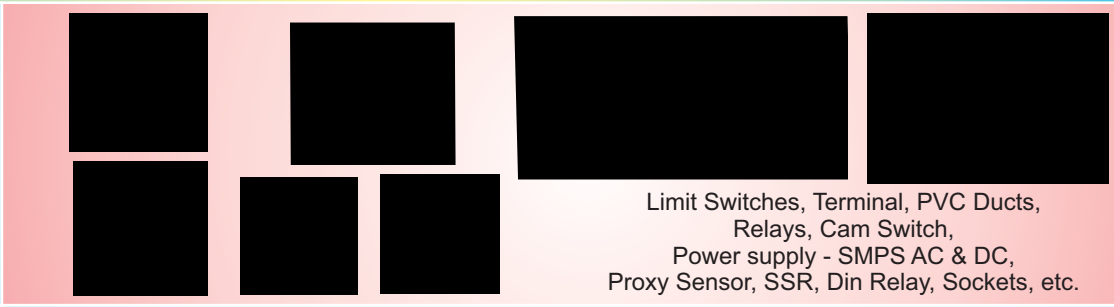

Aaryan

Manufacturer of different types of Quality Capacitors
LT & HT Power Capacitors :
Self / Non Self Healing Capacitor - APP / MXD
MPP Rectangular - Normal Duty / Heavy Duty
MPP Cylindrical - Normal Duty / Heavy Duty

Intelligent Automatic Power Factor Controller

TNi

Limit Switches, Terminal, PVC Ducts,
Relays, Cam Switch,
Power supply - SMPS AC & DC,
Proxy Sensor, SSR, Din Relay, Sockets, etc.

SECURE

VM

Ashmor

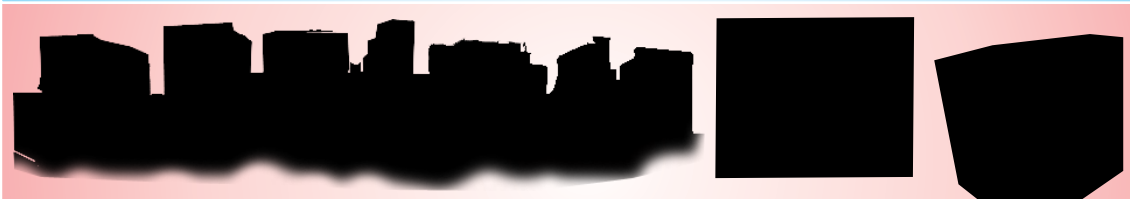

LT & HT TOD Electronic Trivector Meter
As per MSEDCL Govt. 0.2S%, 0.5S%, 1%,
current rating 5-30, 10-60, 40-200, 100/5
available in Uni Directional &
Bi Directional (Net Meter)

Resin Cast CT for MSEDCL purpose
CTR, 50/5, 100/5, 150/5, 200/5, 300/5,
available in accuracy
0.2%, 0.5% & 0.2S%, 0.5S%

PROTON

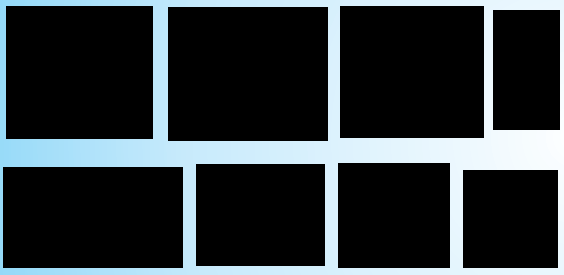

minilec®

Phase Failure Relay, Monitoring Relay, Protection Relay, Electronic Timers,
Liquid Level Controllers, Transducer, Alarm Annunciators,
VSP3 & VSP2 for Agriculture Sector

Hooter
Shree Electronics

EAPL
कर्मण्येव हि संसिद्धिः

Electronic Timers,
Programmable Fault Annunciator,
Pre-Set Counters, Multi-Function Meters,
DC Multifunction Meters,
Maximum Demand Controller, Converter,
Monitoring & Motor Protection Devices,
Temperature Controllers,Tachometer, Time Switch,
Light Switch, Solar Charge Controllers,
Power Supply Module, Photo Relay,
Interface Relay Module, AJB Box, ACDB

VISION

**"We are a team of Sankalp Electricals,
who work closely with industry to service above product and guide the customer about
appropriate application of above product so as to increase productivity & efficiency
in industry and give them economic solution for their application"**

"your satisfaction if our achievement"

**Our services : Mumbai / Thane / Navi Mumbai / Vasai / Palghar / Tarapur
Panvel / Roha / Raigad / Pune / Aurangabad / Nashik / Gujarat / Delhi / Goa**

**We look forward for your valuable order and please do not hesitate to contact us for any query,
as it helps to maintain business relationship.**
